MODEL NO. 0007-H1/2
SINK FITTING

The wall mounted sink fitting has a cast brass body with a polished chrome plated finish. The female inlet is 1/2-14 NPS straight pipe thread. The outlet is 3/4-inch hose thread. The brass stem, seat, rubber washer and reinforced packing are all easily replaced. The cross handle is chrome plated zinc and is not indexed.

Meets ANSI/NSF Standard 61, Section 9, for Lead
ASME A112.18.1M
