TRI-TUBE BENDERS

From start to final bend, the hilmor Tri-Tube Bender has you covered. It just takes simple sizing.

Simple Sizing

Indicators in the handles can help you find the correct tube size.

Quick Identification

Color-coded to help you spot the right tube size and align in the groove.

Precise Angles

Markings on the side help create up to 180° bends.

SPRING BENDERS

Getting an accurate bend by hand isn't always easy. But, our Spring Benders can help simplify things. Four different benders are included to fit 1/4", 3/8", 1/2" and 5/8" tubing. Simply slip the Spring Bender over soft-copper or aluminum tubing, and count on the spring to keep the tube from kinking.
