

IRWIN®

Standard Length Spade Bits

IRWIN® SPEEDBOR®

Standard Length Spade Bits Features:

- Blue-Groove point and cutting edge for faster chip removal - 4x faster than standard spade bits
- Double cutting spurs scribe the outside of the hole reducing breakout
- 10% larger shank for added durability
- Grooved hex shank prevents slipping in drill chuck or bit extension
- Fits all standard quick change chucks

Item # 88816 shown
