

Olympia Collection

Olympia 3 Light Inverted Pendant - Olde Bronze 3278OZ (Olde Bronze)

Product Description:

The Olympia Collection brings a modern twist on the classic aesthetic to create a new form the likes of which has not been seen before. The curvilinear, flowing arms of these chandeliers, pendants, and wall sconces create a clean, contemporary profile for your home. The Olde Bronze finish combined with Sunset Marble glass diffusers and shades present a natural color palette capable of matching any décor. For a simple approach, the Olympia Collection offers its unique look as an inspirational pendant. It uses a 3-light design that requires 150-watt (max.) bulbs to light the satin-etched white glass cover, creating a glowing bottom of light with chic sophistication.
