2313TZG (Tannery Bronze w/ Gold Accent)

### Product Description:

The Larissa Collection captures the essence of classical design, whether it's the hand formed steel with our exclusive Tannery Bronze finish, or the gold accents and citrine glass, it is sure to have elements that appeal to even the most critical of tastes. To create a warm antique look for your home the Larissa Collection from Kichler is all you need. This 6 light chandelier combines the classical hand-wrought arms of a chandelier with the smooth curvature of a large Citrine glass diffuser.
