

## Wilton Collection Chandelier Foyer Cage 6Lt 2471CZ (Carre Bronze)

### Product Description:

A luxurious line of lighting that possesses a classic aesthetic with just a bit more ornamentation, you cannot do much better than this gorgeous 6-light Foyer fixture. The fixture's prominent romantic details include forged leaf accents and junction body covers with the shell-like curves of classic rococo, but softened to fit more comfortably into today's room settings. Adding to the look is a Crème Carmel glass which casts a soft, golden glow to bring elegant warmth to your lighting. The hand blown extra heavy glass is finished to resemble the color and texture of Crème Brule, and is a delightful complement to the richness of the Carre Bronze finish. It uses 60-watt (max.) bulbs, measures 24 1/2" in diameter with a 48 1/2" body height, 71" of extra lead wire, and 6' of chain. For additional chain order No 4901CZ. U.S. Patent Pending.
