Willowmore Collection

Inverted Pendant 2Lt

3325NI (Brushed Nickel)

Product Description:

Willowmore is the name of a small trading village located in the Eastern Cape of South Africa. Much like that community, this beautiful 2-light Willowmore inverted Pendant is a vivid sight to behold. The Brushed Nickel finish flows along the sweeping curved arms of the pendant, which cradle the Distressed-etched glass. This glass creates an almost creamy opaque light, which adds a distinct ambiance to your room. 100-watt (max.) candle-based bulbs add a distinct and romantic ambiance to your room. It measures 16" in diameter with a 21" body height and comes complete with 54" of extra lead wire and 6' of chain.
