

MaxPERFORMANCE® Toilet Fill Valve

- Ideal for toilets since 1994 (1.6 gpf or less)
- Fully adjustable to prevent water waste in all toilets
- Fits American Standard® Cadet® 3, Kohler® Cimarron® Class Five® & Six, Kohler® Wellworth®, TOTO® Drake®, & More

WaterWISE® Toilet Fill Valve

- Dual Shut-off design minimizes costly water loss from:
 1. Slow Flapper Leaks
WaterWISE® remains shut off, not refilling the tank during a flapper leak. No more running toilets.
 2. Severe Leaks
WaterWISE® automatically shuts off if the flapper is stuck open or the chain is tangled (could save thousands of gallons of water).
