

Front-removable
for easy moves, adds
and changes.

**Front-mount, click-in design
is easy to install.** Removes
easily for quick reconfiguration.
Built strong to stand up to repeated
installations and removals.

**Angled jack modules
provide enhanced
patch cord protection,**
eliminating cable strain.

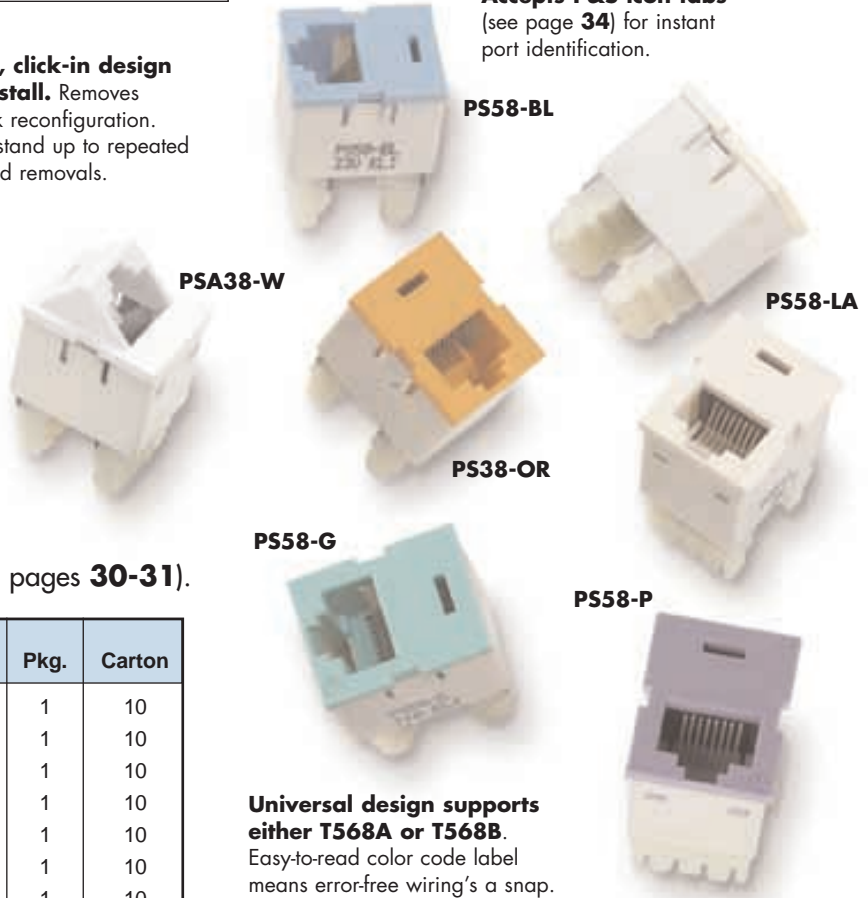

Accepts P&S icon tabs
(see page 34) for instant
port identification.

Innovate™ Icon Tab UTP Jack Modules

To match Innovate label wall plates (see pages 30-31).

*Shielded for 100 Ohm SCTP

**Universal design supports
either T568A or T568B.**
Easy-to-read color code label
means error-free wiring's a snap.

**P&S paired punchdown sequence
makes 110-style termination fast
and simple** — and provides easy
TIA/EIA-568-B.2 standards compliance.

**Available colors make it easy to meet
TIA/EIA-606-A identification requirements.**
