

BREAKER 100A 2P 120/240V 22KA MP-HT

General technical data

Number of poles	2
Suitability for operation	For Use In 125 AMP And 225 AMP Single Phase Output WMM, WML, WMT meter stacks

Electricity

Continuous current rated value	100 A
Supply voltage frequency rated value 50/60 Hz	Yes

Environmental conditions

Ambient temperature during operation maximum	40 °C
--	-------

Model

product brandname	SIEMENS
-------------------	---------

Mechanical Design

Design of the product	MP-HT
-----------------------	-------

General product approval

Standard	UL Listed, HACR Rated
----------	-----------------------
