

**Homeline®
Arc-D-tect® Arc
Fault Circuit
Interrupter**

The advanced technology of the exclusive Square D Arc-D-tect AFCI provides the highest level of circuit protection available today. These circuit interrupters are specifically designed to detect dangerous low-level arc faults and provide traditional overload and short circuit protection as well. This single-pole breaker installs as easily as our GFCI breaker and offers the same high level of reliability.

**No other name in
circuit protection is more
trusted for reliability and
performance than Square D®.
Our products have
revolutionized the industry
and continue to make the
residential use of electricity
safe and convenient for
millions of people every day.**
